

After Hours Instructions

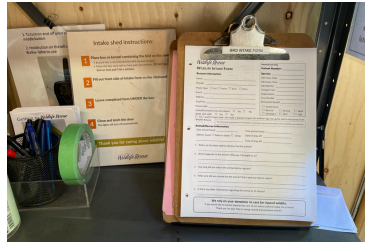

Wildlife Rescue is located on the south side of Burnaby Lake at
5216 Glencarin Drive, Burnaby, BC V5B 3C1

Please note the area is poorly lit and not well-travelled.

When you arrive, please place the bird (in the box) in the after hours intake shed. The shed is located to the left of the stairs in front of the administration building.

Once you have placed the bird in the shed, please complete the intake forms on your right and follow the steps provided.

When you're done completing the paperwork, please ensure the bird is well contained and close the shed door behind you securely.

Thank you for helping wildlife!
